1000 miles, running north and south, through the mountains, and ending at the sea. The coast is very rocky, and the water is very turbulent. The people are poor, and the country is very backward. The climate is very hot and humid, and the soil is very poor. The people are mostly farmers, and they grow rice, corn, and beans. They also raise cattle, sheep, and goats. The people are mostly Christians, and they have a strong faith in God. They are very friendly and hospitable, and they are very kind to tourists. They are also very poor, and they need help and support from the world.

卷之三

27 сентября, воскресенье

20. At the same time, the
Baptists were also
engaged in a series of
internal disputes, which
culminated in 1845 in
the formation of the
secessionist Southern
Baptist Convention.
The following year
the Northern Baptists
formed their own
convention, the
American Baptist
Association. The
two groups have
since remained
separate, though
they still retain
a number of
commonalities.
The Southern
Baptists, for
example, have
been instrumental
in the development
of the fundamentalist
movement in
the United States.
They have also
been involved in
various controversies
over issues such as
slavery, women's
rights, and
homosexuality.
In recent years,
the Southern
Baptists have
been facing
challenges from
within and without,
including
losses in
membership
and influence.
Despite these
challenges,
the Southern
Baptists remain
a significant
presence in
American
Christianity.

the first time, and the first time I have ever seen it. It is a very large tree, and has a very large trunk. The bark is rough and textured, and the leaves are large and green. The tree is growing in a field, and there are other trees and bushes around it. The sky is clear and blue, and the sun is shining brightly. The overall scene is peaceful and serene.
